What does a table host do?

Table hosts volunteer about 5 hours for their role. Table host responsibilities, at a glance:

- Secure guests to join you at your table of 10
- Arrive early to greet guests
- Distribute pledge cards and thank your guests

Whom should I invite, and what will they experience?

You can invite anyone in your personal or professional network. This could be your neighbor, friend, coworker or mentor.

During the one-hour program, they will:

- Enjoy a free breakfast with you and your table guests
- Hear from families affected by childhood cancer whose lives are forever changed because of Candlelighters For Children With Cancer
- Be invited to join our mission as a donor, volunteer or advocate (There is no gift or other commitment required)

Why are table hosts so important?

You can connect us with community members who are passionate about expanding awareness about the impacts of childhood cancer on the entire family. Financial contributions from the event help foster life-changing programs.

You will enjoy recognition on social media and online platforms, on event signage and in the Cancer Warrior Breakfast program.
